LETTER OF ACCEPTANCE FOR INDUSTRIAL TRAINING

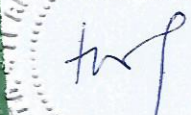

On behalf of Terrascope Environmental Consultancy Limited, I am pleased to inform your institution of learning that the bearer, Itotoh Osemudiamen Ezra with Matriculation number: SBS/101140661 has being accepted and given the opportunity to acquire one year post National Diploma Industrial Training in this company. He is expected to resume 8:30AM, January 9th 2017.

The Industrial Training is expected to end on the 8th of January 2018, however, the training with the company is "at-will," which means that either the student (Itotoh Osemudiamen Ezra) or the Company (Terrascope Environmental Consultancy Limited) may terminate the training at any time, with or without cause and with or without notice.

However, the management will view the performance of the trainee continuously during the period of his training and if his performance is found satisfactory and outstanding, the management will issue to him a certificate of satisfaction and completion.

Thanks & Regards

Patricia Agu Michaels
