

THE YUNHOUSE CHARACTERS

NAME: Afrinc

This is a Purpose-built African Computer_Designed And Used Exclusively By Non-Africans. It is based in Liechtenstein.

Yunhouse authorities manage to obtain a full printout of Afrinc's database. There is strong evidence to suggest that The Computer's bowels contains everything ever printed in The Africa Picture [No Spitting!]. It is also believed this computer may have data on everything there is to know about Yunhouse and more.
